Publishing Process*

Checklist for Scientific Secretaries

1

- ☐ Identify Member States need for and interest in a publication together with SH;
- ☐ In the DPP link the publication proposed to related NE pubs (published, under preparation, to be superseded); explain how a planned NES publication fits the NES structure;
- ☐ Submit the DPP to the DCT Chairperson and Secretary (through SH and DIR) for DCT meeting at **agenda item 'B'** (it should reach the DCT >7 working days before the meeting)

- ☐ Check that the DPP is on DCT agenda and accept (or forward) the Outlook invitation to the DCT meeting
- ☐ Present the DPP at DCT
- ☐ Wait for DCT decision: DCT may approve DPP as is, with amendments or reject it, including the type of publication (NES, TECDOC, PROC, SVS, TRS)
- ☐ Start organizing CMs, TMs or issue SSA exclusively devoted to the development of the publication.

2

- ☐ Develop the draft ms as indicated in the DPP;
- ☐ Submit the draft ms for APA to MTCD-Pub;
- ☐ Make the changes required in the APA and respond to the comments;
- ☐ Submit revised draft pub to DCT Chairperson and Secretary (through SH and DIR) for DCT meeting at **agenda item 'C'** (it should reach the DCT >7 working days before the meeting);
- ☐ Check that it is on the DCT agenda and accept (or forward) the Outlook invitation to the DCT meeting;

- ☐ Provide a brief presentation including information on process (TMs/CMs), relevant Member States involved, implementation of APA/outstanding issues;
- ☐ DCT appoints reviewers, including from NS internal reviewers, justifies if NES ms should not undergo MS review;
- ☐ 2Respond to comments from all reviewers for consideration and implementation (reviewers provide feedback within 30 days);
- ☐ Inform DCT if a draft is not submitted to item 'C' 5 years from DPP approval.

3

- ☐ Incorporate review comments into draft ms
- ☐ Submit the draft to the DCT Chairperson and Secretary (through SH and DIR) for DCT meeting at **agenda item 'D'** (it should reach the DCT >7 working days before the meeting)
- ☐ Check that it is on the DCT agenda and accept (or forward) the Outlook invitation to the DCT meeting;

- ☐ Inform the DCT at the meeting how the review comments were addressed and if there are outstanding issues from APA and other relevant information;
- ☐ The DCT may approve the submission of the manuscript to the PC, or require additional actions which may require resubmission under agenda item 'D'.

4

- ☐ Submit the final DCT approved draft to the PC electronically in track changes mode showing changes made in response to APA review and responses to APA comments, with hard copy completed and signed D-22 form and hard copy of manuscript
- ☐ Complete any changes not made in response to APA review or provides approved justification;

- ☐ Wait for notification that the completed draft ms with signed D-22 form is on agenda of the next possible PC meeting;
- ☐ PC may approve, request additional work or information or not approve the manuscript;
- ☐ Wait for notification of approval or instructions of additional work that needs to be done before approval or resubmission;
- ☐ Submit final files upon request.

5

- ☐ Wait for notification that the manuscript is being processed (edited or camera ready); check the ManuscriptMonitor for information
- ☐ Work with the Editor to finalize the draft publication (edited); work with the Editorial Assistant to finalize a camera ready publication;
- ☐ Perform a check on the final PDF version of the manuscript for correctness and approve it (edited and camera ready)

- ☐ The final manuscript will be produced by MTCD-Pub (layout or camera ready PDF);
- ☐ Wait for notification that finished publication was published online and in print.

*based on the Guidelines for the Production of Agency Publications Developed by the Department of Nuclear Energy (V1_1 Jan 2020)
